

North

The red lines on this map are for the most part the same as in a plan of the town from just below the bridge, in the year of the late war when the map of 1857 was first published, and the only additions are the facts that the town is still the same village, although the population has increased, and the fact that the town is still the same village, although the population has increased, and the fact that the town is still the same village, although the population has increased.
